Dear Mr. Thomas:

Re: Board Approval of Aragonite Mine and Mill Surety, M/045/031, Tooele County, Utah

This letter is to verify the Board of Oil, Gas and Mining's approval of Thomas American Stone's request to reduce the Aragonite surety from \$12,000 to \$6,000. The Board approved your request during the February 26, 1992 Board Hearing.

The \$6,000 surety, currently held by the Division, will remain until reclamation has been deemed complete on the disturbed acreage beyond the 5 acres at each site.

Please contact me if you have any questions concerning this letter.

Sincerely,

Holland Shepherd
Senior Reclamation Specialist
